Extension: Rule 30b1-5

SEC File No. 270-520, OMB Control No. 3235-0577

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 30b1-5 (17 CFR 270.30b1-5) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.) (the “Investment Company Act”) requires registered management investment companies, other than small business investment companies registered on Form N-5 (17 CFR 239.24 and 274.5) (“funds”), to file a quarterly report via the Commission’s EDGAR system on Form N-Q (17 CFR 249.332 and 274.130), not more than sixty calendar days after the close of each first and third fiscal quarter, containing their complete portfolio holdings. The purpose of the collection of information required by rule 30b1-5 is to meet the disclosure requirements of the Investment Company Act and to provide investors with information necessary to evaluate an interest in the fund by improving the transparency of information about the fund’s portfolio holdings.

The Commission estimates that there are 2,380 management investment companies, with a total of approximately 11,757 portfolios, that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b1-5 has been included in the collection of information requirements of Form N-Q, rather than the rule.

The collection of information under rule 30b1-5 is mandatory. The information provided under rule 30b1-5 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street, NE, Washington, DC 20549; or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: May 9, 2017.
